9 a.m. - 12 noon for Players in Grades 3-6

This camp will be held at Brother Rice High School. Our goal is to teach the proper and safe fundamentals in a safe and positive learning environment. Coaches will focus on drills and techniques for ball-handling, shooting & defensive play. There will be daily competitions in these various areas. Campers also will have the opportunity to incorporate these skills into competitive play. We group campers by age and ability and then focus on their individual development. This camp will give each player an opportunity to improve his skills, getting him ready for the 2013-14 season. We anticipate a coach-to-player ratio of 1:6.
